Gobind Sahney, Executive Chairman commented; *"Andrew has been an instrumental colleague and partner in the foundational years of the Company and will continue to provide his advise and guidance to me and the Board as we continue to grow. I know that he will be very successful with his new venture and wish him much success."*

"The Company is now positioned to start realizing its investment in its strategies of the prior two years and is reacting to the building demand on the team's time. Austin brings a wealth of experience to the fund raising for the BlackOak Alpha Growth Fund and we are very pleased to have been able to get him onboard."

We will continue to bring you updates on the other strategies as they develop here in due course. Please be assured your Directors are working to grow the Company and build shareholder value.
